

AUTHORS DECLARATION AND CONSENT TO PUBLISH

Manuscript title and authors: *"Article Title", Authors*

Receiving Date:

This Declaration is mandatory for the publication of your paper in the ***Smart Energy and Sustainable Environment*** journal.

This Declaration must be signed by the corresponding author(s) in the case of a multi-authored manuscript, and the signing author declares that he/she has written authorization from all co-authors to sign this agreement and will notify them of his/her action.

This Declaration must be signed and returned to the editor of ***Smart Energy and Sustainable Environment*** as soon as possible.

The signer confirms:

- This is an agreement between the ***Smart Energy and Sustainable Environment*** and the copyright owner(s) (Authors) of the paper(s) which, if accepted following the peer-review process, will be published in the Journal;
- The authors have complied with the ethical guidelines. All authors have seen and approved the content of the submitted manuscript;
- The paper presents original work that has not been previously published in a similar form and is not currently being considered for publication in another journal and will not be submitted elsewhere until the ***Smart Energy and Sustainable Environment*** editorial process is complete;
- If the paper contains material (data or information in any other form) that is the intellectual property and copyright of persons other than the author(s), then permission has been obtained from the copyright owner(s) to publish that material, which is clearly identified and acknowledged in the text of the paper.
- Any affiliations with a direct financial interest in the subject matter or materials discussed in this manuscript are disclosed, and any financial support for the research or project is identified in an acknowledgement of the manuscript.
- The authors grant to ***Smart Energy and Sustainable Environment*** a worldwide, irrevocable, non-exclusive, royalty free license to publish or distribute the paper, to enter into agreements with others to publish or distribute the paper, and to archive the paper;
- The author(s) and copyright holder(s) grant(s) to all users a royalty-free, irrevocable, worldwide, perpetual right and license to copy, use, distribute, transmit and publicly display the work and to make and distribute derivative works, in any digital medium, for any responsible purpose, subject to proper attribution of authorship and with due regard for ethics and avoidance of plagiarism, and the right to make a small number of printed copies for personal use.
